

Let's Talk Safety for Dance

Listed below are some things we want you and your child to discuss together before your next dance class.

1. Proper attire is required for all dance students. Please check our schedules for proper apparel requirements for your child's class. It must be purchased from Patti's All-American and worn to class every week. The proper apparel is worn for uniformity reasons. All Dancing Gym Bears 2/3 classes who participate with their child are required to wear socks.
2. During the dance class, students must stay in the dance studio, unless it is an emergency.
3. There are no parents or siblings allowed in the dance studio at any time. For Dancing Gym Bears 2/3, only one parent is to participate with their child. The door to the dance studio should remain closed at all times during class.
4. There are two viewing areas available for you to watch the class. These are located in the dressing room and upstairs, each having windows. A TV monitor is located in the dance dressing room for your viewing. There will be no upstairs viewing during Gym-N-Learn (daytime hours).
5. When students are working at the bars in the dance studio, the children are to keep their feet on the floor at all times. This means no hanging on the bars or climbing their feet up the wall.
