

June Recital 2022

Recital Note #1

We want to make this recital a memorable and fun experience for both parent and child. This recital note will help answer many questions you have regarding the recital. Also, our office staff at our customer service desk is available Monday through Friday from 9am - 8pm, Saturday from 9am to 3pm, and Sunday 10-3pm to help you. Here are some of the most frequently asked recital questions. Be sure to ask questions as needed, especially for first time recital parents and dancers.

1. *What is a recital?* It's a show that gives the students a chance to experience the performance portion of their dance education. This is their time to showcase their continued efforts in front of a live audience.
2. *When is the recital?* Recital will be on **Sunday, June 12, 2022**. **There are no dress rehearsals.**
3. *Where will the recital be?* It will be at **Lake Central High School Auditorium**. Lake Central is about five minutes from the gym.
4. *How long do recitals last?* We plan on having four separate recitals for this June event. We are striving to keep each recital approximately 1 hour and 15 minutes.
5. *What costs are involved?* Cost for preschool costumes will be \$68 (+tax) and school-age costumes will be \$78 (+tax) that includes tights and accessories such as gloves, bows or wings. A special hairpiece that goes around your child's bun will be ordered for each student. The cost of the hairpiece is \$18.00 (+tax). Also, to help your child's hair bun stay in place a spray-gel, hairnet and bobby pins package is available for only \$11.50 (+tax). We also have a spray on glitter (silver) available for \$6.50 (+tax). Students may purchase recital pictures, (that will be taken at the recital) location to be announced. Memory t-shirts are available to order if you would like.
6. *When is costume payment due?* Costume fees will run with your credit card on file on Feb. 4, 2022.
7. *Do parents pay for tickets?* Yes. As with any large production, there are numerous costs involved: hall rental, custodial fees, crew fees, instructor's fees, scenery, programs, tickets, etc. Our tickets are more affordable than most area studios. Tickets will go on sale in May.
8. *How do I know if my dancer is ready?* We are a "recital school", meaning all of our students are expected to participate in the yearly recitals. We believe the recitals to play an essential part of the discipline of dance training. Stage time in front of an audience is an enormous part of the overall dance education. We keep recitals fun, exciting, and age appropriate. Costumes, songs and choreography are chosen well in advance with each class skill level taken into consideration. Children gain confidence, responsibility and a greater love for the art of dance with each recital.
9. *When are they measured for their costume?* They'll be measured for their costume, in class Monday, January 17-22. Miss Robin will help you decide what size costume will be needed when measuring. Measurement week is very important, as costumes are not refundable or returnable. Correct sizing is essential.
10. *What if restrictions keep recital from taking place?* Ticket sales and the show date will be postponed to a later date.
