

We WILL be meeting for a practice on Saturday, February 26th to run through their performance and answer any questions. Typically, I like to hand out leotards/Tshirts at this time - HOWEVER, the leotards are not scheduled to SHIP until March 3rd. I will keep you posted for when they come in.

Do I HAVE to come to the practice?: Your child WILL be practicing what they do in class, however they will only be doing it with 5 other children. We will have approx. 10 kids in each group. We will show how to rotate as well how to walk for the awards ceremony.

We of course will guide them during the show, but running through it really helps.
