A Special Thank You from Patti Komara

Thank you to all of the parents of the dancers. Thank you for your confidence in our programs and me. I am very grateful for loyal customers like you voting us #1 "Best of the Region" in dance and gymnastics. I've been in business since 1969 and have had dance lessons since 1986. I know I have to please and astound you so you'll come back to classes year after year. I am also very lucky to have people like Miss Robin, Miss Renn, Miss Lilly, Miss Lainy, Miss Sam O, Miss Brooke, Miss Adisen, and Miss Millie working with me. These ladies love your kids and do all they can to be the role models you expect. Driving your children week after week is tedious, but what a loving gesture it is on your part. You are doing such a great thing for your children.

When you read about women in the world who have reached top levels in business and government, they always say how much dancing, gymnastics, and sports were such a huge part of their upbringing.

Lastly, a special thanks to Dance Dept. Leader, Robin Arvanitis, for her 27th year of leading this entire department. The success of The Dance Connection can be contributed to her hard work and her leadership. The children adore her and the parents respect her. Robin's knowledge of dance is phenomenal, but her way of working with kids, her patience, and her love of teaching is what makes her so outstanding. She's a pleasure to have as a staff member. I wholeheartedly appreciate her, admire her, and am lucky to call her my friend.

Thank you for coming today and please... enjoy the show!
