Q & A

Q: How do we pay tuition?

Year-Round Program-We are a year-round program with a monthly tuition based on an average of four classes per month. If there are five classes in a month, we do not increase tuition. If there are three, we do not give credit.

Paying Tuition– We will run Auto Pay on the 25th of the month. All families should put a credit card on file. On the 25th of each month we will charge the credit card on file for the following month. If tuition is not paid before the first of the month, your child will be tagged inactive, will be unenrolled, and children on the waiting list will be called. Your child is continuously enrolled in class and will incur monthly tuition charges on your account until you inform the business office. That notice must be made before the 25th of any month to avoid payment for the next month. Missed classes will not be refunded or credited. There is a \$15 late fee if tuition payments are made after the 25th of the month and returned checks carry a fee of \$35.00.

Parent Portal– Your email address is required upon registration and is our preferred form of communication. Your email address allows you to access your personal details at Patti's All-American. You can make a payment, update your account, change your password, add a student to a waitlist, view your fees and payments, change your credit card information, check your child's current enrollment, register for special events, sign up for classes, or contact our customer service staff. Your customer portal can be accessed from any electronic device that has internet access. To access your personal account look for the BLUE Login tab, located in the upper right hand corner found on any page from our website.

A: Of course you can, we love our parents to stay! You’re welcome to observe your child in our glassed-in lobby or open air viewing upstairs.  - ◆ Enrollment fees are good for one year from the date of payment.

Staff

Patti’s All-American is very fortunate to have such a large, qualified staff. The staff will try to maintain the same schedule throughout the year. However, your child may occasionally have a different teacher. All the staff utilizes the same lesson plans and curriculum sheets, but every instructor has their own style of teaching. Our enthusiastic staff is well trained through Patti Komara’s own teacher–training program and mentoring system. Many of the staff members are USA Gymnastics Safety Certified, and everyone is background checked, American Red Cross First Aid, and CPR Certified. Every staff member is certified in Safe Sport. All of the teachers are involved with year round in–service training as well as continuous video and hands-on training. Our office staff is always here to help you. Our business hours are Monday-Friday from 8:30AM–8:00PM, Saturday 9:00AM–3:30PM, and Sunday 9:00AM– 3:30PM.

Discipline

We expect good manners and a good attitude from the children, not gymnastics expertise. If a child is disruptive or disrespectful to a teacher or other students they will be re-directed to another activity and asked if they want to participate and behave. They will always be given a second chance. We are committed to treating all children with respect, and in turn expect them to respect other students, our staff, and our facility.

Facility Cleanliness

We pride ourselves in our gym, its bright colors, excellent equipment, and its cleanliness. We clean it twice a day. Please watch your children so we can work together to keep the gym a safe, clean place for you. As a courtesy to our staff, if your child vomits or has a potty accident, please help us clean it up.

Practicing at Home

Gymnastics takes practice and positive consistency, as does any educational or physical skill. Exercise with your children at home and ask them periodically what they're doing in class. Encourage safe home exercising, stretching, and strength-building exercises. You will see faster skill learning if they exercise at home. We do not recommend they tumble at home or go on home trampolines.

Birthdays

On your child's birthday, your child can tell their teacher in the gym it is their special day. Their teacher will then allow them to ring the bell in the gym (if they want) and announce to everyone that it is their birthday. Your child can stop by the front desk to get their "Birthday Pin"

Field Trips

We offer field trips (mini parties) to groups such as sports teams, preschools, kindergarten groups, and Boys and Girl Scouts. We can even structure the field trip to focus on your Scout earning a badge. Please tell your group leader we offer this.

Facebook/Instagram

Become a follower of Patti's All-American to receive up-to-date information, get special offers and discounts, and participate in exclusive contests. Patti's All-American has the right to remove posts from followers deemed inappropriate. Each department also has its own Private Facebook Group as well.

Communication

A. We hope that when you watch your child's class, you look for overall improvement and be sure to compliment your child often. Our goal is to make them feel good about themselves; learn some skills in gymnastics, dance, & ninja-and have fun! Our instructors are trained to know when to introduce new material to students. Children learn through repetition. When a child is prepared both physically and mentally, she/he will progress safely and happily. We thank you for your faith in our decisions.

B. Communication between parent and teacher is encouraged. We have purposely scheduled time before or after most classes to allow you the chance to ask your child's teacher questions. Get to know your child's teacher and ask for their help. **Suggestions from parents are directly responsible for changes at All-American.** We not only encourage you, but we implore you to email us anytime at customerservice@pattisallamerican.com. You are the most important part of this business. Our customer service slogan is "Give the customer what they expect and more." We can only do that if you let us know what is on your mind.

Tuition Back Guarantee—Refunds—Changing Classes—For first time families we want to give you a chance to "sample" our classes, so we're happy to give all your money back if it isn't what you expected before the end of the first 30 days. Let's try to change times, classes, or teachers first if possible. But if that doesn't work, we want you to come back and try it again at a later date.

We are a Performance Facility

Gymnastics/Tumbling students have an ANNUAL Tumbling Showcase "Shamrock & Roll" in March. This is your child's recital and all enrolled students are automatically enrolled in this fun, memorable event.

Dance students have TWO annual recitals. Holiday Recital in December and our Spring Recital in June. All enrolled dancers are automatically enrolled and sized for costumes for these shows.
