

THE BLAIZE

PAA Newsletter - Issue No. 1

Welcome to our brand-new weekly newsletter!

We are so excited to introduce **The Blaize**!

Wondering where that name came from? It actually starts with our founder, Patti! "Blaize" was her maiden name, and we think it's the perfect fit. It describes exactly what we do here—blazing through the week with tons of energy, just like all of you!

Our goal is to make this newsletter super fun and packed with cool updates you'll love reading. Thank you all for being the absolute **BEST** part of Patti's All-American!

WEEKLY HAPPENINGS

SCHERERVILLE PARADE 6/13/26

We had a blast at this year's Schererville Parade! Patti's All-American brought the energy, and it was so much fun from start to finish.

We had an awesome turnout with **36 amazing kids** showing off their team spirit and **12 awesome staff members** leading the way, waving to the crowd, and keeping everyone pumped up. The coolest part of the day? The one and only **Miss Patti riding in style in a sleek Slingshot car!**

The clouds looked a little scary early on, but thankfully, the rain held off completely! It turned out to be a perfect day to celebrate with our community. A huge thank you to all the families, students, and staff who came out to march, flip, wave, and represent PAA—it truly was a great day!

PHOTO SHOOT 6/15/26

Our gym was buzzing this past Monday! We had students from **all departments** come in for a big professional photo shoot.

A huge **thank you to Aubrey Nelson** for taking the pictures! She did an awesome job capturing our students in action. Keep your eyes peeled! You'll be seeing these cool new photos all over our future marketing, website, and social media very soon!

EDUCATION IS POWER!!

This weekend, **8 of our awesome staff members** are heading to Lombard, Illinois for the Region 4/5 USA Gymnastics Congress! This is a huge event where coaches get to learn from the absolute best in the business. We are also super proud because our very own **Miss Rhonda will be giving two lectures and sitting on an expert panel** to share her knowledge with other coaches from all over! We want to wish our team the best of luck! We can't wait for them to bring back tons of fun, new ideas to use in the gym.

2026 SUMMER BREEZE DANCE RECITAL

earning a cool **Certificate** at the end of every single lesson!

- **Ninjas:** Our ninjas are on a mission to build a star by earning a **POINT** each week for hitting their goals.
- **School-Age Gymnastics:** The kids are working hard to earn awesome "**Gym Pets**" by listening closely, trying extra hard, or being a great cheerleader for their classmates.
- **Dance:** Our dancers are back from their big recital! They are already jumping right into working on their technique and welcoming tons of **NEW dancers** to the studio.

Summer is flying by, and we are having so much fun keeping the kids moving, learning, and smiling!

Making Waves in Our 40th Season!

Swim lessons in our outdoor heated pool are off to an incredible start! We are so proud to welcome swimmers ages 14 months through 12 years to our landmark **40th season** of swim lessons here at Patti's.

Our dedicated instructors are already working hard to help students progress through our 5-level swim program. We love seeing our **Tiny Swimmers (ages 14 months-3 years)** building water confidence—learning to get their faces wet, blow bubbles, and back-float, all while singing *Humpty Dumpty* as they safely splash into the pool with their parents!

Every week is a milestone:

- **New Sessions:** A brand-new session kicks off every single **Monday**. Need Saturdays? A new session starts July 11.
