

THE BLAIZE

PAA Newsletter - Issue No. 8

Get ready for exciting updates, gym news, and student spotlights delivered straight to your inbox every month with the **Blaize Newsletter**! Now that our summer weekly updates have wrapped up, we are transitioning to our monthly schedule to keep you in the loop all year long.

We'll be sharing all the fun happenings around the gym, upcoming events for your kids, and so much more—but we need your help to make it extra special!

Has your child achieved something amazing inside or outside the gym? We'd love to celebrate them! Send their accomplishments and photos to customerservice@pattisallamerican.com. They might just be featured in our "**Confidence Corner**," where we highlight the incredible achievements of our students!

As always, thank YOU for being the best part of the Patti's All-American family!

Exciting Upgrades Coming to Our Entrance!

Have you noticed the big machines and piles of soil right at the front of our building?

If you've been wondering what's going on, we have huge news: major construction and landscaping are officially underway! We are giving our main entrance a fresh, exciting look, complete with new plants, and a much cleaner vibe to welcome everyone every single day.

It might look a bit messy right now, but big improvements take a little time. We are so excited for you to see the finished project once everything is planted, polished, and ready to go! Keep an eye out as the area transforms over the next few weeks—it's going to look amazing.

Big congratulations to Miss Yesenia

(affectionately known as "Little Miss Yesenia") on earning her teaching degree! 🎓 18 years ago, she walked our halls as a GNL student. Today, she's come full circle as a teacher, inspiring our next generation. As we celebrate 20 years of serving our community, seeing former students return to join our PAA

Thank You for an
Incredible Swim
Season!

As our swim season comes to a close, we want to extend our heartfelt gratitude to all of our swim families. Thank you for trusting us with your children's safety, confidence, and love for the water. Making a splash is even more special this year as we celebrate **40 years** of teaching kids to swim! We couldn't have reached this incredible milestone without your continued support and trust. We look forward to seeing you back in the pool next season!

Coming back 9/21 -
patti's gym pets!

 Hi Everyone,

We've noticed some amazing energy and "star" behavior in class recently, and we want to keep that momentum going!

Starting this week, we're launching the Patti's Gym Pets reward system. Students who go above and beyond in their effort, kindness, and listening will have the chance to take home a new little figurine to add to their collection. Keep an eye out for these tiny trophies - they're a sign that they had a truly fantastic day in the gym!

Happy tumbling!
